

Water Awareness Student Art Contest

2018

Contest Tips:

Getting started: Think of all the ways water is used every day inside and outside your home or school, in nature, in agriculture, and in businesses. This year's theme is "Water Heroes of Tomorrow." Your artwork should show how this year's theme relates to water conservation and/or protecting water quality.

Follow the guidelines below to help your artwork get noticed. Good Luck!

| | | |
|---|---|---|
| <p>ORIGINAL artwork only!</p> <p>No traced, trademarked or copyrighted images or slogans</p> | <p>Use BOLD, BRIGHT, BRILLIANT colors</p> | <p>Words should be SIMPLE, LARGE, and spelled correctly</p> |
